

Hesam Soroush

Product Manager

ABOUT ME

A responsible, accountable and results-driven Product Manager and Process Lead with experience in developing internal products and digital platforms in the tech industry. I also have a background in data analysis and BI development, which supports data-informed decision-making. I enjoy working in dynamic and fast-paced environments and collaborating with cross-functional teams to deliver impactful results.

WORK EXPERIENCE

Product Manager | Process Development Lead, Digikala, Aug, 2021 – Present

- Launched the “BPMS.digikala.com” platform to digitize and optimize procurement, warehouse, and finance operations. Key Achievements:
 - Eliminated 90% of manual processes (achieved paperless operations)
 - Reduced financial closing time by 70% (from 13 days to 4)
- Led the launch of the fully digital “Vendors.digikala.com” platform, streamlining end-to-end processes from registration and verification to tender participation and contract finalization. Key Achievements:
 - Increased the number of active vendors by 95% YoY
 - Reduced procurement cycle time by 50% (from 14 days to 7)
 - Achieved a fully paperless tender and procurement process
 - Improved vendor NPS by over 26%
- Integrated products with the company’s core financial platform to ensure seamless data flow and process continuity. Key Achievements:
 - Eliminated duplicate manual processes, saving over 80 man-hours per day
 - Reduced inventory-related financial costs by 65% (from 200B IRR to 70B)
- Responsible for identifying and prioritizing user/business needs, optimizing processes and evaluating inefficiencies through key metrics, leading to the development of data driven features.
- Delivered custom Power BI dashboards and reports to monitor KPIs and support stakeholders’ needs.

Cost Controlling Supervisor, Digikala, Jun, 2018 – Aug, 2021

- Led and followed up on regular stakeholder meetings to propose actionable cost control solutions and identify improvement opportunities, resulting in Savings of 1.5T IRR compared to the approved budget and 15% reduction in IP and Opex / packaging costs per order.
- Supplier negotiation and purchasing.

Senior Data Analyst, Digikala, May, 2016 – Jun, 2018

- Designed and developed interactive dashboards and reports using Excel, Power BI, and Tableau to support decision-making across departments.
